## BAGS & ACCESSORIES

**SUSTAINABLE ACCESSORIES FOR EVERY OUTDOOR ADVENTURE,  
OFFERING FUNCTIONALITY, VERSATILITY AND STYLE IN ALL CIRCUMSTANCES**

In between winter seasons, the brand's initial target market, Picture continues to grow and expand its offering for summer outdoor sports, with a full range of eco-designed products.

The Bags & Accessories line is complementary to the other Picture ranges. It is a technical, eco-engineered and functional line of gear for environmentally-conscious adventurers, offering functionality, versatility and style in every situation.

Because every journey has its own story, Picture likes to imagine the bags that will serve adventure enthusiasts travelling, moving and discovering. The backpack is, more than ever, the adventurer's essential! Picture's bags offer storage options and optimization that will fit all camping styles, air travel and rail journeys, ride & bike trips and even urban escapes. All the good reasons to enjoy adventure and the unexpected!

### #ECO-ENGINEERED

Polyester based products : 69% of the polyester used in the technical garments is made from recycled PET (which reduces the CO2 impact footprint by 40%)

Cotton based products : the organic material use results in a reduction of the carbon emissions (-46%) and a reduction of water use (-91%).

Recovery Materials : when not available in recycled or organic versions, Picture partners with its factories to use fabric waste for various clothes or linings.

### #FUNCTIONAL

This line fully complete Picture's offer to fully experiment the action outdoor lifestyle with bags & accessories designed for every adventure & needs. The message : « Picture is backing you everywhere ».

### #STYLE

Once again, for this new SS21 season, style and originality are the order of the day. The creative DNA of the brand is clearly visible thanks to the arrival of new prints and new colours.
