

SUMMER EXPEDITION

Wailer jkt

A versatile and robust windbreaker that will delight outdoor enthusiasts and urban explorers. Made of strong ripstop fabric, the Wailer pullover jacket will provide an unmatched protection against the wind. Its Teflon EcoElite™ PFC-free DWR treatment offers great water repellency so you keep playing in the great outdoors all day long. Highly convenient, this half-zipped jacket features a front pouch pocket to carry your small essentials, elastic bands at wrists, and an ergonomic hood. Last but not least, it is packable to follow your everyday adventures.
