

SUMMER EXPEDITION

Delva tech jkt

A versatile and robust windbreaker that will delight outdoor enthusiasts and urban explorers. Made of 20D ultralight ripstop fabric, the Delva jacket will provide an unmatched protection against the wind. Its Teflon EcoElite™ PFC-free DWR treatment offers great water repellency so you keep playing in the great outdoors all day long. Highly convenient, the Delva has an ergonomic hood, side zippered pockets, elasticated wrists and adjustable hem for a perfect fit. Last but not least, it is packable to follow your everyday adventures.
